

Stop Taxing the Future out of Wilmette!

Wilmette D39 schools can be fully funded next year without any tax increase. Yet, the school board still wants to raise your taxes by \$2 million - another 4.36 percent hike!

"It is important to levy [tax] to the fullest extent possible under the tax cap because any loss in revenue due to under levying is lost forever."

Wilmette property values are falling as property taxes for its schools are rising

Where will it end?

"While we love this town, another increase in taxes would force us to consider moving."
