Subject: Caucus Update on Candidates for the General Election

All,

The filing period for the April 3rd general election closed on Monday night. For the Village, Park and Library boards the Caucus slated candidates were the only individuals who filed to be on the ballot and will run unopposed. However, that is not the case for the D-36 School Board.

The school board slate is being contested by Patrick Conway who, as you recall, contested the slate at the Town Hall meeting. For those of you relatively new to Winnetka a challenge to the Caucus slate in the general election is exceedingly rare (there have been about 4 cases of individuals running against the slate in the last 30 years). As in the previous cases of a contested race the Caucus will aggressively campaign for the four candidates we have slated. We believe we have four very qualified candidates who will serve the schools with dedication and integrity. Additionally, we believe that it is important to defend the Caucus system against challenges. While not perfect the Caucus system certainly has served the village well for more than 100 years.

We will be developing the campaign strategy in the coming month. As we move closer to April we will call on each of you to help spread the word of the importance of voting on April 3rd and in supporting Emily Rose, Marena Rudy, Katherine Myers-Crum and Luke Figora.

Please let me know if you have any questions or ideas about the coming campaign.

Thank you again for your help with the Caucus this year. As we head into the holidays I want to wish everyone a healthy and happy new year.

Scott
