Subject: D-36 Election

Dear Friends,

I'm sure you've noticed the signs around town asking you to vote for the top four District 36 candidates (and the top 3 New Trier candidates). This is an important vote for our schools and keeping them from becoming politicized. This year, at the November Town Hall meeting, over 400 residents confirmed the recommendation of the Caucus D-36 slate of:

Luke Figure  
Emily Rose  
Katherine Myers-Crum  
Marena Rudy

In spite of overwhelming confirmation of the Caucus recommendation a fifth individual decided they would run against the Caucus. Over the more than 100 years the Caucus has been in existence Winnetka has been best served when the role has selected the person rather than a person pursuing a role. The Caucus process has enabled the Village to attract very capable people rather than individuals with a specific agenda.

Please take a little time in the coming weeks vote to support the Top Four candidates for the Winnetka Public Schools. You can find more information about the candidates and your neighbors who have expressed your supporter them on [their website](#).

Every vote matters so please take some time and vote by mail by clicking on the link below,
